

# Northern Virginia 4-H Educational Center

2019 Family Camp - Aug 30 - Sept 2

## Participant-Led Programming Request Form

In order to make the NOVA 4H Family Camp experience unique each and every year, we invite our family campers to share their talents, interests, and hobbies with other family campers in the form of an activity or workshop session. This creates the unique "fingerprint" of each annual Family Camp and encourages meeting new family friends!

If you are interested in providing the necessary guidance, equipment, and supplies to lead your own activity/workshop, please complete and return this form to the NOVA 4H Office by 8/21 so that we can coordinate your activity into the Master Activity Calendar. All activity sessions must be pre-approved by NOVA 4H Staff.
