EDUCATIONAL AND  
CONFERENCE CENTER

## Pet Policy

---

We are passionate about providing our guests, both human and canine, with a well-appointed room and relaxing escape. For the safety and comfort of all our guests we kindly ask that you review and agree to the following guidelines:

- Per guestroom, per stay, max 2 dogs per room, please.
- The 4-H Center is willing to accommodate dogs provided they are fully trained, kept on a leash at all times, and comply with local legislation laws and requirements.
- Dogs must be registered during check-in and owners must sign the pet policy.
- Guests will dispose of dog waste while on property.
- The 4-H Center reserves the right to refuse lodging for any dog. If deemed appropriate, The 4-H Center may also ask that a disruptive or aggressive dog be removed from the property. The 4-H center is not liable for any dog injuries sustained on property.
- Guests will display "Dog in Room" card provided by housekeeping on the outside of guestroom door at all times. Housekeeping, Room Service or other departments will make no attempt to enter the room while the sign is present unless services have been previously arranged. If a disturbance occurs management may enter the room.
- Maid services are not provided at the 4-H Center.
- Dogs are allowed anywhere on the property EXCEPT the Dining Hall. Assistance dogs are exempt. Please see the Event Specialist for dog friendly area restaurants and wineries.
- Please be mindful of any excessive noise to ensure that other guests are not inconvenienced, both in public areas and inguestroom.
- Dogs should have all recommended vaccinations currently up-to-date, and guest agrees to obtain and provide current records from a licensed veterinarian should the 4-H center request this information.
- Owners will notify the management of any dog "accidents" immediately and request special cleaning efforts.
